Recognising the critical role that educators and school staff play in shaping the future of children, the Kent Teacher of the Year event acknowledges their hard work and dedication.

By honouring exemplary teachers and support staff, we celebrate the positive impact they have on students' lives. This recognition not only motivates educators but also fosters a sense of pride and camaraderie within the educational community, ultimately benefiting the young learners they serve.

To nominate simply tell us what makes the person/team within your school community stand out from the rest!

Nominations are open to parents, students, and peers, if you know someone who deserves recognition, we encourage you to submit a nomination. With a wide range of award categories, including primary, secondary, early careers, non-teaching members of staff, and volunteers, there's an opportunity to recognise everyone who makes a difference in our schools and in our children's lives.

Deadline 28th February 2025
