Oral Health in Early Years

March 2025

Did you know children aged four to six should have no more than 19 grams of sugar a day?

Find the sugar with our sugar smart app

Could you promote the **FREE** sugar free app with your parents and carers. Maybe create your own social media post and direct them to the healthier family's campaign on [Healthier Families - Home - NHS](#)

Which foods/drinks to **watch out for** and tips how to reduce sugar at home

[Reducing sugar - Food facts - Healthier Families - NHS](#)

Added sugar:

When we talk about added sugar, we mean sugar that has been added to food and drink to sweeten it.

This could be added by the manufacturer, by you if you're cooking at home, or by the chef or cook if you're eating out.

It's not just the white sugar you might think of on a teaspoon either: it includes fruit juice, honey, syrups and nectars too.

You do not need to worry about sugar in:

Plain milk, plain yoghurt, whole fruit and whole vegetables. This is not added sugar but remember to keep dried sticky fruit to mealtimes to protect teeth!

Check out the online sugar calculator it all adds up! [Sugar calculator - Food facts - Healthier Families - NHS](#)

Check out our Webpage below for even more tips and resources!

www.kentcht.nhs.uk/happyteeth

We will be holding **FREE** live Q&A sessions online with our team of dental professionals on 3.4.2025 & 10.6.2025

Contact us via email for more information!

Plus, a **FREE** training session with CPD on 15.4.2025

Parents/Carers – from April 22nd 2025 school meals will increase to £2.93

This is due to the inflationary costs of produce and the impact of new employment National Insurance Contributions.
