Congratulations on achieving a 5-star rating for the 'Scores on the Doors' award. This is the highest rating you can achieve from the Environmental Health authorities, and they have awarded you this score based on hygienic and well-managed food preparation, following their recent visit.

These scores are also made available to the public via the national public information service where you can find the official local authority hygiene ratings. You will receive a certificate and window sticker from the environmental health that you should display with pride.

Well done on such a great achievement, please pass on my praise to all your team.

Keep up the good work.

Yours sincerely

Penny Richards
