Make Time for Music in Schools

Learning an instrument is a fantastic skill to have and the best time to start to learn is in childhood.

As well as being a valuable creative outlet it can help build confidence and dedication, and is recognised that students learning an instrument perform better in the rest of their schoolwork

We can offer tuition on: piano/keyboard, guitar (electric and acoustic), drum kit, ukulele, violin, clarinet, flute and brass *

Most students start with group lessons and enjoy learning with their friends, but we are happy to move students on to individual lessons at any time if they prefer.

We regularly arrange opportunities for students to perform in school and many of our teachers have contacts with local ensembles that they can join.

Lessons normally take place during the school day. Sometimes we do arrange for lessons to run outside of school hours. If you have any queries regarding our lessons please contact James at our office on: **01303 894178**
